Massacre of the citizens of the state of Jammu and Kashmir

It is a very sad and criminal act

London , 12.10.2022, 23:52 Time

USPA NEWS - The UK-based Kashmiri international rights outfit representing the diaspora community and a world-renowned Kashmiri think tank, Global Pak Kashmir Supreme Council Chairman Raja Sikander Khan has stated in his press release today that the silence of the international community on the massacre of the citizens of the state of Jammu and Kashmir in the custody of Indian jails is a very sad and criminal act.

The detained Hurriyat Leader, Altaf Ahmed Shah, son-in-law of late Chairman All Party Hurriyat Conference (APHC) Syed Ali Geelani died while in detention for past five years in the infamous New Delhi's Tihar jail without a trial.

The son in law of Syed Ali Geelani and his right-hand man Syed Altaf Shah, who sought the independence of Indian Occupied Jammu and Kashmir from India, were in Indian prison for the last five years who neither had access to medical treatment facilities nor access to judicial justice despite his illness. His death in Indian custody is part of India's cruel policy under which Modi's fascist government wants to eliminate the voice of the people of Indian Occupied Jammu Kashmir forever. Chief Raja Sikander said in his statement released to the press that last year Ashraf Sehrai was killed by India in the same way in Indian jail as well as the great Liberation Front leader Maqbool Bhat and Mohammad Afzal Guru were also hanged in the infamous New Delhi's Tihar Jail.

Only in May of this year,

Yasin Malik was given a cruel sentence of life imprisonment through a one-sided trial, and thousands of innocent state citizens are serving the sentence in India's prison, whose crime is to fight for the freedom of their state.

Why the international community does not seem to see the atrocities committed upon the innocent people of Jammu and Kashmir by the Indian Armed Forces in illegally Indian occupied Jammu & Kashmir, which for the last 75 years people of Jammu & Kashmir have been the victims of torture and unlawful killings especially the women have been the victims of molestation and rape and yet the world has turned a blind eye on all of the atrocities committed upon the innocent Kashmiris by the hands of Indian brutal armed forces.

The Chairman Global Pak Kashmir Supreme Council Raja Sikander Khan said in his concluding remarks that we at Global Pak Kashmir Supreme Council are committed to support the freedom struggle of Kashmiris and will continue raising voice against atrocities on innocent people of Jammu & Kashmir and we

will not remain silent on the occupation of the ideological Jammu Kashmir by any usurper, imprisoning and killing any citizen of the state. We will make the people of Jammu and Kashmir fulfill the promises made by the usurpers to give them the right to self-determination.
